Sex is a funny word / by Cory Silverberg and Fiona Smyth.

Author:

Silverberg, Cory, author.

Personal Author:

[Silverberg, Cory, author.](#)

Abstract:

"A comic book for kids that includes children and families of all makeups, orientations, and gender identities, Sex Is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex Is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist Fiona Smyth, Sex Is a Funny Word reimagines "sex talk" for the twenty-first century."-- Provided by publisher.

All boys aren't blue : a memoir-manifesto / George M. Johnson.

Author:

Johnson, George M. (George Matthew), 1985- author.

Personal Author:

[Johnson, George M. \(George Matthew\), 1985- author.](#)

Abstract:

Publisher Annotation: In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys. Both a primer for teens eager to be allies as well as a reassuring testimony for young queer men of color, All Boys Aren't Blue covers topics such as gender identity, toxic masculinity, brotherhood, family, structural marginalization, consent, and Black joy. Johnson's emotionally frank style of writing will appeal directly to young adults.

I had previously topped someone who clearly enjoyed it, but he had been enjoying anal sex before I ever came along... He got on top and slowly inserted himself into me... He then added more lube and tried again, which felt better but not by much. He began his stroking motion. Eventually, I felt a mix of pleasure with the pain... He didn't last long inside of me, thankfully. He gave me a kiss before he pulled out. I didn't stay long, nor did I masturbate after."]

Contents:

1. First blood -- II. What Sybil says -- III. Over and through.

Abstract:

Publisher Annotation: You are alone in the woods, seen only by the unblinking yellow moon. Your hands are empty. You are nearly naked. And the wolf is angry. Since her grandmother became her caretaker when she was four years old, Bisou Martel has lived a quiet life in a little house in Seattle. She's kept mostly to herself. She's been good. But then comes the night of homecoming, when she finds herself running for her life over roots and between trees, a fury of claws and teeth behind her. A wolf attacks. Bisou fights back. A new moon rises. And with it, questions. About the blood in Bisou's past, and on her hands as she stumbles home. About broken boys and vicious wolves. About girls lost in the woods-frightened, but not alone.
